- The Tricare Dental Plan is under utilized. If you need information on how to sign up or use the TCDP, please stop by the clinic and we will be happy to help you.
- Over the last 6 months, over 30% of the patients seen at the Schweinfurt DC have been family members, so we are still trying our best.
- Failed appointments are still a problem: 18% of all family member appoints were failed last month. That is nearly 1 in 5 appointments!! Not a good trend.

DENTAC

- We will have a new Pediatric Dentist coming in mid July. He won't be seeing patients until early August, but help is on the way.
- We have a new Prosthodontist already here. Her name is MAJ Azure Utley and she is a great addition to our team of healthcare professionals.
